Packing List

Bring your own gear

- Provide to Scout Master
- Provide meds & schedule to adult leaders for dispensing
- Requirements are signed off as completed
- Scout needs to be able to carry his own bag
(ie, Heavy weight, 0 degree recommended for winter)
- No larger than the outline of sleeping bag
- Should fit in pack
- Nalgene recommended, not stainless or aluminum
- Small Personal First Aid kit (Scouts make their own to carry)
- Recommend Rain suit of jacket and pants for long term
- Extra batteries suggested
- Wipes or pump spray
- Lip balm always recommended**, especially when windy
- Large chairs with backs not allowed for Scouts unless Eagle Rank
- Change out of uniform for activities
- Stocking cap to sleep in
- Insulated with shell for wind/water, plus Lightweight fleece to sleep in.
(Winter clothing should be wick away material, **NEVER Cotton**)
- Sturdy type shoes best. No Open Toe Sandals, NO Flip flops

- Check weather forecast
- Check weather forecast
- Insulated longjohns for cold weather
- Optional

Small hand towel

Better than deodorant

- Must have Boy Scout Totin chip to use on camp out (will earn)
- Must have Boy Scout Totin chip to use anytime
- Must have Fireman Chip Training for wood fires
- Not allowed on Scout campouts.

Scouts sleep together in Patrol Pods. **No food in tents!**

- Boys cook & clean together as a patrol
- Scouts plan meals, and eat together as a patrol
- Scouts share cost of Patrol food for meals - Bring money to pay share
- Scouts share cost of Patrol Cookbox supplies

All incidents are reported to and treated by troop

Adults sleep and cook in an area **away** from Scouts
Sleeping Bag, pad or cot

Always Include Rain Gear - Check Weather for other gear

Adults share cost of adult food
Must provide in future after attending 1st campout
Adults not allowed in Scout Area
Scouts not allowed in Adult Area
